

## 2018-2019 COURSE SELECTION

Dear COHS Students and Families,

The season of course registration will soon be upon us. Please note, this year students will be submitting course requests online through *StudentVUE*. As always, we encourage students to make well-informed course selection in conversation with their parents/guardians. We hope that this year's new online course selection component will help parents and students access course selection information more easily.

Course selection will occur in three phases as outlined below.

**Phase 1:** Starting now, all students should start **researching and planning** appropriate course selection. Students will be receiving an "**Academic Planning**" lesson in their advocacy class on January 23<sup>rd</sup> (current 11th) and January 30<sup>th</sup> (current 9th & 10th).

The lesson and all course selection forms will be available on the COHS website. We encourage students and parents to review this lesson in order to make collaborative decisions on appropriate courses. In addition, please refer to the online [2018-2019 EGUSD Course Catalog](#) for course descriptions and the *StudentVUE Course History* for your student's grade history.

**Phase 2:** On **February 6th**, all 9th, 10th and 11th grade students will receive the "**Course Selection**" advocacy lesson. At this time, students will complete a paper copy of their course selection choices. One copy of the form will remain with the advocacy teacher and one copy will be sent home with the student.

**Phase 3:** Online course selection begins. Students will have from **February 6th-February 16th** to input their course selection choices from their form into *StudentVUE*. This can be done from home anytime during the two week window or on campus at the following times:

Wednesday, February 7th--8:00-8:50, HG 2 and Career Center  
Wednesday, February 7th--Lunch, HG 2 and Career Center

Thank you,
