

PAW TRACKS

October 23, 2017

The official source for all things CO

October almost over. Don't miss these events coming up.

Pack Savvy Auditions

Pack Savvy auditions are this week Tuesday through Thursday after school. Students were to have signed up already last week for a time slot. Results will be posted Monday October 30 in the Activities Room

Unity Day

Our second Unity Day is Wednesday October 25. This date is currently full, but we want to encourage all students to apply for the next date of February 14. Applications for that Unity Day will be available in the beginning of January.

Unity day is a day full of bonding and breaking down the walls between us. It is an ASB run program where students from all different backgrounds and beliefs come together to understand how similar we actually are to one another. The goal is to unify Cosumnes Oaks High School and show that while we often see differences between us, we really are much more alike than we perceive.

CO Academic Accolades

Cosumnes Oaks High School will be recognizing all honor roll students during our first ever Academic Accolades Ceremony. This event is scheduled for Monday October 30, 2017, at 6:00 pm in the Main Gym. Invitations to eligible students were mailed last week.

In order to be invited, 10th through 12th grade students must have earned an average GPA of 3.75, or better, over the previous four academic terms. These students will earn either an Academic Block "CO" or a pin for a prior-earned block. Ninth grade students will be recognized for Term 1 GPAs of 3.75 or better.

Students are asked to arrive early (beginning at 5:30 pm) to check-in at the tables in the front of the gym. Only the names of those students that check in will be read during the ceremony, so it is important for each student to check-in. During this process, students will be given a ticket for a prize drawing that will take place near the end of the ceremony. Students must be present to win a prize.

Finally, students must participate in the ceremony to receive their awards. Only those students missing the ceremony due to a conflicting COHS-sponsored event will be given their awards at a later time.

This event is replacing our Block CO ceremony we previously held at this time of year

October Dates
